

Tasmania Christmas Camp

Sunday 27th December 2009 – Sunday 3rd January 2010

ABOUT THE CAMP

Orford is situated on Tasmania's East Coast about one hour's drive from Hobart. The camp is located on a large bush setting and a ten-minute walk from beautiful Spring Beach.

Our annual camp is a wonderful time of fellowship. The meeting and activity format leaves plenty of time for R & R and opportunity to join in with activities such as bush walking, basketball, volleyball, board games, cards and talking around the fire.

The large hall facility allows us to have meals, meetings and other activities all together.

The camp is fully catered by the assembly and daily fees are inclusive of accommodation and all meals (breakfast, lunch, dinner), **with the exception of 27/12 when the kitchen is not open.** Orford has several eat in and take away options.

ACCOMMODATION

There is dormitory style accommodation in a large hall complex. Room allocations will be made on a 'first in' basis. Related family groupings will be accommodated together. If accommodation is at a premium, there will also be male and female dorms for the young married couples.

TENTS and CARAVANS

The hall facilities are also available to be used by campers.

Campers must supply their own mattresses.
