

Outreach MANLY

Recently the Sydney assembly had an outreach at Manly. We were at the North Steyne surf club on the Saturday and three meetings we held on Sunday at the Queenscliff surf club.

We found this to be a fantastic place to talk to people, firstly because there were so many passers-by and secondly because people were relaxed enjoying their time walking along the beach front..

The saints and especially the children enjoyed the sun and sand.

It's great to get out and talk to people about the wonderful blessing we enjoy as children of God.
