APPLICATION TO ERECT A SOLID ANNEXE &/or POUR A CONCRETE SLAB

No work is to proceed until your application has been approved
(This application should be submitted 4 weeks prior to the proposed erection of annexe)

Surname : First Name : Phone:

Address.....

..... Post Code..... Van Length..... Site No.....

Please tick relevant boxes.

- I wish to erect an Annexe on the above site*
- I wish to pour a concrete slab on the above site*

Signature :

Please attach a site plan and give all relevant details as set out in the requirements sheets, such as :-

- Distances of caravan & proposed annexe to site boundaries (indicate road)
- Distance of your site boundaries to any neighbouring vans or annexes
- Elevation & plan dimensions of proposed annexe
- Concrete slab drawings & details

Note the requirement for a 900mm emergency access area, clear of all obstructions around your unit.

Annexes require:

- a manufacturers Compliance Plate to be affixed to the annexe
- an installation advice form "Installation Advice for a Rigid Annexe" (Form 1A) signed by the supplier of the annexe. *(This completed installation advice (form1a) should be forwarded with this application)*
- an installation certificate installer "Rigid Annexe Installation Certificate" (Form 1B) signed by the installer *(This installation certificate (form1b) should be forwarded on completion of construction)*

Post this completed application, together with the required details to :-

RCI FWC Retreat
PO Box 86
